

Customer App — Roadmap

One page to review and approve together · October 2026

Big text and simple words — designed to be easy for every customer, including older people.

Phase 1

Now · priority

Monthly customer portal

My car & days left

See your car, plate number and how many days are left.

Fines & Salik

See traffic fines and Salik charges and pay them online.

Car papers (Mulkiya)

Show the car registration card to the police from your phone.

Offers

See special deals for DriveX customers.

FAQ

Find quick answers to common questions.

Easy sign-in

Sign in with a one-time code sent to your mobile. No password.

Invoices & online payment

See every invoice and pay in one tap (Ziina), or download it.

Insurance

See your insurance plan and whether it is valid.

Change or extend my car

Ask for a different car or more days, and get a reply.

Support

Emergency call (3 calls per customer), WhatsApp chat, UAE emergency numbers.

Profile & documents

Edit your details and upload ID, licence and passport.

Phase 2

Next

Daily rentals

Find a car

Choose place, dates and car; search and filter.

Options

Insurance, kilometres, delivery to your door, extra driver, child seat.

Book & pay

Pay cash or card on delivery, or bank transfer; or book on WhatsApp.

Phase 3

Later

Partner rewards

Partner coupons

Discounts at restaurants and other partners for DriveX customers.
